PROFESSIONAL SUMMARY

A highly motivated and detail-oriented third-year Computer Science student at Tshwane University of Technology, with a strong foundation in programming, algorithms, and database management. Passionate about software development with hands-on experience creating functional applications through academic projects. A collaborative team player with proven problem-solving skills, seeking an internship or entry-level position to apply technical expertise, contribute to innovative projects, and learn from industry professionals.

CORE COMPETENCIES

- Programming and Coding
- Problem Solving
- Teamwork and Collaboration
- Database Design and Management
- Software Development
- Microsoft Office (Word, Excel, PowerPoint)

ACADEMIC PROJECTS

Personal Portfolio Website | Tshwane University of Technology

- Created a website using HTML, CSS, and JavaScript to showcase personal information and projects.
- Made the website responsive so it works on computers.
- Designed and developed the website independently to serve as a live, interactive digital resume to showcase my technical skills to future employers.
